

SCHOOL REOPENS FOR 2ND TERM

Don Bosco School, Bandel resumed its regular course of activities on the 8th of October, after a brief but rejuvenating mid-session break, as we embarked on the 2nd half of this academic year following the Durga Puja celebrations.

With the answer scripts of the 1st Assessment being shown to the students and a series of events lined up in the months to follow, the 2nd term of every school year presents a unique set of opportunities, both academic and extracurricular, by way of providing a moment to reflect upon the shortcomings of the immediate past and move forward in a more enlightened and balanced way, as we all stand poised to dive into the upcoming months with all that they have to offer.

Investiture

Ceremony

On the 13th of October, our institution's Student Council, comprising the School and House Prefects, Vice-Prefects and Assistant Prefects, handed over their responsibilities of office to their successors, in a solemn and symbolic gathering which took place during the morning assembly.

In what was undoubtedly a deeply significant rite of passage, the new members of the Student Council were invested with their Oaths of Office in the presence of the Salesians, staff and students of our school, by way of which they shall dispense the duties and affirm their responsibilities through the remaining half of this academic session and the 1st term of the next.

Presided over by Rev. Fr. Principal, who took special care to note the service delivered by the past members of the Council, he would go on to thank them in earnest, while ensuring the sights of the newly invested Council remain set on the tasks at hand and in their charge as leaders, as they move forward, with the ideals and values of our institution in mind and practice.

Career Counselling

The MIT World Peace University, Pune, conducted a seminar on the 14th of October for Classes XI and XII, dealing with the issues and matters pertaining to the upcoming choice and selection of career paths for the students of the 11th and 12th standards.

The representatives of the organizing institution addressed a wide variety of concerns relating to the various options and streams of study, the prospects of occupational diversity and earning, in addition to putting a distinctive stress laid upon the holistic development of the whole self and character of the students in the process.

Generally considered as an enlightening and edifying experience by the students, the seminar was, in no small part, an avenue to address the prevailing issues relating to the job market, in addition to serving as a truly eye-opening experience for many.

Science Exhibition by DBL

On the 17th and 18th of October, Don Bosco School, Liluah organized their Annual Science Exhibition. Nine schools across the district participated in this exciting event, and our very own Don Bosco School, Bandel was one of them. Eight young minds from our school showcased their creativity and innovative ideas on the campus. We are proud to tell that Adrian Gomes and Pratyay Dholay secured the second position in Mathematics, bringing glory to our school!

JUBILEE QUIZ

2025

The Jubilee Quiz 2025, held on 31st October 2025 and organized by Don Bosco School, Park Circus, saw our students achieve remarkable success. In the category of History & Literature Quiz, our team comprising Agnishwar Mahanta, Bitan Poddar , Anamitra Pathak , and Amrit Chatterjee secured the 3rd Position.

Similarly, in the Business, Brands & Tech Quiz, our team consisting of Arkaprovo Roy, Ankan Ghosh, Bishakh Datta, and Abhijnan Sadhukhan also bagged the 3rd Position. Well done, boys — hearty congratulations!

Diwali and Jagadhatri Puja

Our school proceeded into the Diwali and Jagadhatri Puja holidays. The festive season was marked by joy, warmth, and celebration, as students and teachers embraced the spirit of light and togetherness. The holidays provided a wonderful opportunity for everyone to rejuvenate, spend quality time with loved ones, and celebrate the rich traditions of our culture. It was truly a delightful and memorable festive period for the entire Don Bosco family.
