FIRST DAY OF KG

Monday, April 13, 2026, marked a momentous milestone as our vibrant little learners stepped into the wonderful world of UKG. The morning air was filled with a mix of fluttering nerves and eager anticipation as little ones arrived at the school gate.

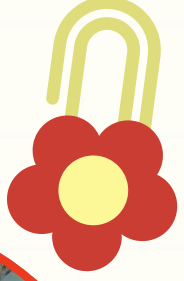

While a few children felt understandably shy or a bit hesitant at first, those initial jitters quickly melted away. With tender encouragement from our teachers and the discovery of sparkling new toys, the classroom soon hummed with the sound of budding confidence.

It was a day defined by discovery and boundless curiosity. The children dove headfirst into a variety of engaging and immersive experiences like an enchanting storytime, rhythmic melodies and playful collaboration.

By dismissal, the transformation was truly heartwarming. The earlier shyness had been replaced by radiant smiles and the chatter of blossoming friendships. It was an uplifting and joyous start to the academic year, setting a wonderful tone for the months ahead.

We are incredibly proud of how beautifully our students have transitioned into their new environment. We eagerly look forward to a year filled with dynamic learning, vibrant laughter, and unforgettable memories!

First Day of Nursery

The first day of school was a cherished milestone for our nursery students, marking the beginning of a new journey filled with learning, laughter, and friendship. For many children, it was their first experience of being away from home, making the day both exciting and emotional.

The little ones arrived holding their parents' hands — some with bright smiles and eager eyes, while others felt shy or tearful. Our teachers warmly welcomed each child, creating a safe and comforting environment. The corridor was decorated with balloons and a trampoline was set up for the children to enjoy.

Through cheerful songs and playful activities, the children settled in and formed new friendships. By the end of the day, even the most reluctant little ones were seen smiling happily. With the right guidance, these young learners are sure to blossom into confident individuals ready to embrace education ahead.

FIRST DAY OF CLASS XI

His motivating speech created a positive impression on the young minds and filled them with determination for the years ahead.
