Dear Parents/Students,

I hope you are all keeping yourself busy with works at home, online classes, and personal studies. All of us know the importance of emotional well-being that we need to cultivate especially this time. The School Councillor will be available for providing necessary help for those who seek it. In order to avail the support of the Councillor during this pandemic time, you are requested to send an email to the School with the details as required.

Name: ....., Class:....., Section: .... Admission No: ...

Phone number: ....., Email id: .....

I will process the request and will get in touch with you. Kindly note, the Councillor will contact you first through the email and then later as per requirement may switch to Microsoft Teams. You have an option to comply with these requirements or seek help from elsewhere too.

Yours truly,

Fr. Noby K. George
