NOTICE TO PARENTS AND GUARDIANS

Dear Parents and Guardians,

Greetings and Regards from Don Bosco School Bandel.

Parents / Guardians have been making online payment of fees since April 2020. Until last month the school has been posting the dates for payment of fees in the school website and some parents did communicate to the school problems arising out of repeated changes in the schedule. Hence, it has been decided to keep the payment portal open for a longer period and at the same time also maintaining a consistent period so that parents can plan payment of school fees with more certainty and regularity.

- 1. Dates of Payment:** The fees can be paid on any day between 5th and 20th of every month.
- 2. Time of Payment:** The portal is accessible to you 24 hours during the above-mentioned days.
- 3. Defaulters:** Those who do not pay within the stipulated dates are considered defaulters and such individuals will have to wait for the following month to pay the fees with required late fee. Late fee will be applicable from the month of August for defaulters.
- 4. Request:** Parents are expected to pay school fees within the stipulated time. Since the payment is done online, the school is not in a position to intervene into the process and as such, please do not make any request to open the portal or to accept the fees in cash. No remittance in cash is done.

May God bless you all.

Thanking you all for your kind collaboration and invoking God's Blessings.

Yours truly,

Fr. Siby Joseph Vadakel, sdb
